

# CHANAKYA NATIONAL LAW UNIVERSITY,

Nyaya Nagar, Mithapur, PATNA-800 001 (BIHAR)

Dated: 13.4.2016

## NOTICE

Dear Parents and Guardians,

This is a gentle reminder to all of you that the University has introduced Biometrics system of attendance in Halls of Residence/Hostel of both boys' and girls' since July, 2015 for the purpose of security and safety of the students.

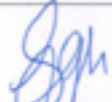

Majority of the inmates complied with the requirement of making their attendance at 9.00 PM. However, some students fail to record their attendance for reasons best known to them. As and when the students don't record their attendance through Biometrics system a message will be passed to the parents and guardian through SMS.

Kindly note such messages and find out the reasons for not recording their attendance by following the procedure. Such willful default on the part of the students will encourage indiscipline and may pose risk to their security and safety though every precaution is taken by the University.

In case you receive any wrong message due to technical faults in Biometrics system you feel free to contact the Wardens to verify the presence or absence of your ward.

The University earnestly requests you to take the matter seriously and take appropriate action against your wards to ensure that your Wards register their attendance through Biometrics system. The University requests all of you to cooperate in our effort for maintenance of peace, security and tranquility in the University Campus. In case of any clarification you may contact the following Wardens.

SL. NO.	NAME & DESIGNATION	CONTACT NO.
1.	Dr. Shaiwal Satyarthi, Dy. Chief Warden	9631932313
