Weekly Schedule:-

- (a) Carry out preventive maintenance as per the check-lists, equipment manuals and as per the instructions of CNLU designated representative.
- (b) Carry out battery and battery charger preventive maintenance as per schedule.
- (c) CNLU will arrange a Monthly common meeting at every fortnight and discuss the various problems/ issues.
- (d) Check the condition of Silica gel and replace it, if needed.

Monthly Schedule:-

- (a) Checking the discharge devices and fuses.
- (b) Carry out preventive maintenance of battery charger and load test for chargers in both Float and Boost mode.
- (c) Prepare list of spares and material required for carrying maintenance work and submit it to Estate officer in advance for better materials management.
- (d) To advice CNLU for better spares planning and spares management.

Quarterly Schedule:-

- (a) Checking the overall condition of radiators and transformers.
- (b) To carry out mock drills.
- (c) Check the overall condition of circuit breakers, isolators and its contact, P.T., CTs' and other electrics.
- (d) Grease the isolators contacts and apply petroleum jelly on battery terminals.

Half Yearly Schedule:-

- (a) Testing of transformer safeties such as Buchholz relay, winding temperature, oil temperature indicator, oil gauges during routine preventive maintenance.
- (b) Earth resistance testing for earth pits, using own instruments and submit report for the same restricted to the area as covered in our scope.

CHANAKYA NATIONAL LAW UNIVERSITY, PATNA

Nyaya Nagar, Mithapur, Patna -1, Ph. No. – 0612-2352300, Website: <http://cnlu.ac.in>

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

General:-

- (a) To carry out all such jobs to ensure proper health of installations and to ensure uninterrupted power supply.
- (b) To carry out switching ON/OFF as and when required and restoration of breakdown during power failures and emergency.
- (c) To attend all electrical complaints related to PSS.

The following activities are envisaged for a prompt power recovery:-

- a) Maintain all switch boards in ready condition (except those that have been taken under planned outage). The various maintenance schedules planned shall be executed and records of all such activities shall be maintained.
- b) Maintain the updated status of all the switchboards at the control room and make the information available to Maintenance engineer (Electrical) so that a strategy can be planned in case of such an unscheduled outage. This information will be collected by the staff of CNLU during the daily condition monitoring of the equipments.
- c) All no power complaints as per our battery limits (which is maintaining power to outgoing of LT panels) will be attended at the earliest possible and depending on the priorities at hand of the maintenance teams. Priorities shall be decided in consultation with Maintenance Engineer (Electrical), if required.
- d) The boundary of responsibility of all such complaints for no supply in the workshops shall be limited to the restoration of supply till the LT outgoing terminal in the DSS.
- e) All HT/LT Underground/OH LT cables shall be maintained by CNLU.
- f) Contractor will be responsible for maintaining the health of the equipments to ensure reliability of power supply at all areas.
- g) Break down maintenance & repairing for cable joints for 33KV cable shall be done by contractor. Required material, spares shall be supplied free of cost by CNLU.

Planned resources and organization:-

- a. Contractor shall deploy the Operation & Maintenance team for three shifts on Round the Clock basis.
- b. Contractor shall also deploy personnel as required for breakdown and emergency services on listed Equipments as at Annex 1 at Control Room.

33/0.433KV Indoor Transformer:-

- a) Routine, scheduled, preventive and Breakdown maintenance of Indoor transformers.
- b) Monitoring and recording of transformers parameters such as winding temperature, oil temperature and oil level.
- c) Checking of transformer tank and other body parts for any rust or leak.
- d) Checking for oil leakage, if any, and take immediate action to stop leakage. (If transformer is required to be sent outside for any modification/repair/overhauling, the cost shall be borne by University).

CHANAKYA NATIONAL LAW UNIVERSITY, PATNA

Nyaya Nagar, Mithapur, Patna -1, Ph. No. – 0612-2352300, Website: <http://cnlu.ac.in>

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

- e) Oil tank to be topped up at regular interval (oil to be provided by University).
- f) Condition assessment of silica gel in breather and replacement of silica gel when required, checking and maintaining breather conditions and conservator oil levels.
- g) Testing of transformer safeties such as Buchholz relay, temperature indicators and oil gauges during routine preventive maintenance.

33KV Indoor VCB:-

- a) Routine, scheduled, preventive and Breakdown maintenance of 33KV outdoor VCB as per OEM Manual.
- b) Monitoring and recording of VCB parameters as relevant.
- c) Cleaning in all respects.
- d) To check and measure IR values periodically.
- e) Attending all indication lamps and adjustment, cleaning of Aux. Contact & necessary CKT. Checking.
- f) Checking to ensure all the lamps are glowing, attending of annunciation CKT & panel in all respects. Lubrication of moving parts of mechanism.
- g) Checking & maintaining earth pits & earth connections. Water the earth pit as per schedule of preventive maintenance as and when required.
- h) Quarterly checking of overall condition of breaker cubicle and control kiosks.

Protection and Metering Systems:-

- a) To check the tightness of control circuits/auxiliary supply/signal and protective relays.
- b) Relay testing for Control Relay Panel & 11KV Switchgear as per schedule.

Battery and Battery Charger:-

- a) Battery & charger, involves checking and recording of general, appearance and cleanliness of battery, charger output current & voltage, electrolyte levels, any crack/leakage in cells, evidence of corrosion at terminals/connectors and condition of ventilation, as per OEM manuals.
- b) Quarterly measurement of specific gravity of each cell, voltage of each cell & total battery terminal voltage.
- c) Tightness of bolted connection

Earth Pits and Lighting Protection:-

- a) Check earth pits water the earth pits as per schedule of preventive maintenance or as and when required.
- b) Periodical inspection of earth connection to ensure their rigidity and others signs of deterioration.
- c) Check/maintain all equipment earthing connections.
- d) Periodical inspection of all lightning protective system. Mechanical condition of all conductors, bonds, joints and earth electrode are checked and observations noted

CHANAKYA NATIONAL LAW UNIVERSITY, PATNA

Nyaya Nagar, Mithapur, Patna -1, Ph. No. – 0612-2352300, Website: <http://cnlu.ac.in>

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

4) GENERAL CONDITIONS OF NIQ

4.1 Period of Contract

- I. The contract will be valid for a period of one year initially.
- II. On expiry of one year, the CNLU reserves the right to extend the contract further on the same terms & conditions as mutually agreed in writing if the service of the agency found satisfactory.
- III. Agreement on Form F2 will be signed with the university.

4.2 Termination of The Contract

- I. CNLU may terminate the contract without assigning any reason by giving one months' notice in writing. However, the notice period may be extended by mutual agreement till alternate arrangements are made. Further, any pending or unresolved service, function, task, performance, unpaid fees and any other remedies shall continue by both the parties during the period of termination notice and the same must be satisfied before this agreement is terminated.
- II. The Contractor shall have no claim to any payment or compensation whatsoever on account of any profit or advantage, which would have derived from the execution of the work in full, but which he did not derive in consequences the full amount of the work not having been carried out, neither shall he have any claim on compensation / damage for the loss suffered by him by reason of termination of agreement by the CNLU
- III. CNLU without prejudice to any other remedy, reserves the right to terminate the Quotation / Contract in whole or in part and also to blacklist the Agency for a suitable period without giving any notice in case he fails to honour his quotation or contract without sufficient grounds or found guilty for breach of conditions of the quotation or contract, negligence, carelessness, inefficiency, fraud, mischief and misappropriation or any other type of misconduct by agency or by its staff or agent. CNLU's decision in such a situation shall be final and shall be accepted by the service provider without any objection or resistance. In such case of termination, the CNLU will have the right to put in place any other agency for carrying out the remaining work. Any extra expenditure shall be recovered from the agency.
- IV. If the successful Quotationer withdraws or the services provided by the successful Quotationer are not found satisfactory (say in a month or so) during the probationary period of three months from the date of taking over charge, CNLU reserves the right to terminate the contract without giving any notice and initiate appropriate necessary action in the matter for making alternate arrangements.

4.3 Earnest Money Deposit (EMD)

- I. The Earnest Money Deposit (EMD) of Rs. 20000/- (Rupees Twenty Thousand) only in the form of Demand Draft issued by Nationalised Bank/ Scheduled Bank drawn in favour of "Registrar, Chanakya National Law University" payable at Patna only is to be submitted along with the technical quotation.
- II. Quotation received without Cost of Quotation document amounting Rs. 2500/- shall not be entertained.
- III. The EMDs of the unsuccessful Quotationers will be refunded without any interest or bank charges. The EMD of the Successful Quotationer will be adjusted against performance security.

4.4 Impound of EMD

EMD of the successful Quotationer shall be liable to be forfeited if the agency does not fulfil any of the following conditions: If the Quotationer withdraws their offer during the period of quotation validity.

CHANAKYA NATIONAL LAW UNIVERSITY, PATNA

Nyaya Nagar, Mithapur, Patna -1, Ph. No. – 0612-2352300, Website: <http://cnlu.ac.in>

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

- I. If after submission of quotation the Quotationer fails to honour the contract or refuses to comply with any or all terms and conditions of the quotation.
- II. An agreement is not signed in the prescribed form within ten days of the receipt of the Letter of Award of the Contract;
- III. The Agency does not commence Electrical Maintenance within seven days of the stipulated date for commencement of work.

4.5 Performance Security

A sum of 3% of the agreement amount will be deposited in shape of Demand Draft issued by any Nationalised Bank scheduled Bank in favour of Registrar, Chanakya National Law University, Patna at the time of agreement performance security. Additionally, 5% of the amount of on account bills will be deducted as performance security. After 60 days of successful completion of contract the security deposit will be refunded to the service provider.

4.6 Payment Terms

- I. The agency / firm / company / contractor will raise bills on completion of each calendar month. The proof of work completion, certified by concerned authority of CNLU will be preserved and maintained by agency / firm / company / contractor and should be submitted along with the monthly bill payment the Payment will be made within 30 days after scrutinizing and verifying the same.
- II. No advance payment will be made.

4.7 Liquidated Damages

- I. The timely and proper cleaning with utmost promptness is the essence of this quotation. Extensions of the time limit of the completion of work beyond the agreed completion schedule will not be given except in exceptional circumstances. In case of delay in delivery beyond the agreed delivery schedule, liquidated damages will be imposed as per provisions of F₂. Quantum of liquidated damages assessed and levied by the CNLU shall be final and not challengeable by the Agency.
- II. The CNLU shall not be in any way responsible for any accident or damages incurred or claims arising there from during the period of the contract.

4.8 Penalty

- I. Subject to clause for Force Majeure if the Quotationer fails to provide the service as agreed, the CNLU at its discretion may without prejudice to any other right or remedy available to the CNLU in the quotation and the Contract, forfeit the entire security deposit submitted by the agency / firm / company, apart from blacklisting of the agency for further participation in any of the NIQ / NIT of the CNLU.

4.9 Indemnity

- I. The agency / firm / company / contractor hereby covenants and agrees to indemnify and shall at all times keep indemnified the CNLU against any loss or damage that the CNLU may sustain as a result of the failure or neglect of the quotationers to faithfully carry out its obligations under this agreement or

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

negligence, carelessness, inefficiency, fraud, mischief and misappropriation or any other type of misconduct of the agency / firm / company / contractor or its employees, agents, representatives and further to pay for all loses, damages, costs, charges and expenses which the CNLU may reasonably incur or suffer, and to indemnify and keep indemnified the CNLU in all respects.

- II. In case of any accident / injury to any worker of the agency, the University shall not be held liable for compensation / treatment etc. It is the sole responsibility of the contractor to settle legally any claims arising out of it.
- III. Any theft / damage / pilferage etc noticed shall have to be reported immediately to the Maintenance Engineer. If any damage to the installation caused by the agency the same should be made good by the agency itself.

4.10 Arbitration

- I. In the event of any dispute difference, claims and demands arising between CNLU and the agency / firm / company / contractor in any matter arising in relation or connection or pursuant or touching to the meaning, operation, effect or interpretation of this NIQ / agreement directly or indirectly, the decision of the Vice Chancellor of the CNLU will be final.

4.11 Jurisdiction

- I. In respect of any dispute arising between CNLU and the agency in any matter covered / touched this quotation / contract or arising directly or indirectly there from or connected or concerned with the said contract, the courts at Patna shall only have the jurisdiction.

4.12 Other Terms & Conditions

- a) The work should be carried out strictly in accordance with CPWD general specifications for electrical works (Part I Internal & Part II External) as amended up to date and also comply with the requirements of Indian Electricity Rules 1956 as amended up to date. In case of items / works not covered by the above specifications, the work shall be carried out as per the directions of the Maintenance Engineer.
- b) The work men engaged for the work shall be qualified as per relevant trade rules and practices. The wireman engaged should have valid wireman (permit) license issued by any state / central licensing Authority. The agency shall furnish the list of such persons engaged by them along with the proof of eligibility.
- c) The agency should employ sufficient No. of skilled (Wireman) and Electrician/ Wiremen unskilled workers on the works as per requirements. There shall be at least **three wireman** (Skilled) have minimum 5 year experience and **Three helpers** (unskilled) deployed on the site round the clock with **one skilled supervisor** who have the minimum experience of 15 years and have relevant experience certificate. Per team to carryout maintenance / preventive maintenance works on all days round the clock.
- d) However, on special occasions such as breakdown or during any official functions the agency shall attend to other works also, with additional staff, as per the instructions of the Maintenance Engineer.
- e) The agency should maintain a complaint register. All complaints received / attended / materials received from the department, used in works, balance etc. shall be entered in this register up to date. The Register shall be always open for the clients / representatives to register the complaints and the Maintenance Engineer for verification.

CHANAKYA NATIONAL LAW UNIVERSITY, PATNA

Nyaya Nagar, Mithapur, Patna -1, Ph. No. – 0612-2352300, Website: <http://cnlu.ac.in>

NIQ No.- 18/2016-17 (Group B)

Dated: 28/12/2016

- f) Materials such as Light fittings, fans, lamps, chokes, lamp holders, starters, capacitors, Igniters, switches, plugs, HRC fuses, bearings etc required for the works will be issued free of cost as and when required at University stores. The unused spares/dismantled material should be returned to the University store without any delay.
- g) The contractor should assess the requirement of materials and intimate well in advance to the Maintenance Engineer for taking up necessary action.
- h) The contractor should keep an account of the materials received and consumed in the work. The dismantled materials should be handed over to the University Stores immediately after replacement. Any discrepancy in the account of the materials shall be the responsibility of the contractor and suitable recovery will be made for any shortage of materials at the prevailing market rate from the contractor's bill.
- i) The Agency shall make its own arrangement for all normal special Tools Plants (T&P) required for the work. Transportation of ladder to site and back is the responsibility of the agency. He shall maintain the ladder in good condition during his custody, with chained lock to avoid unauthorized use. He shall return the ladder in original good shape and condition back to the department after every use. If necessary, recovery will be made from his bills for carrying out repairs on account of any damages caused to the ladder.
