NSS – Notice

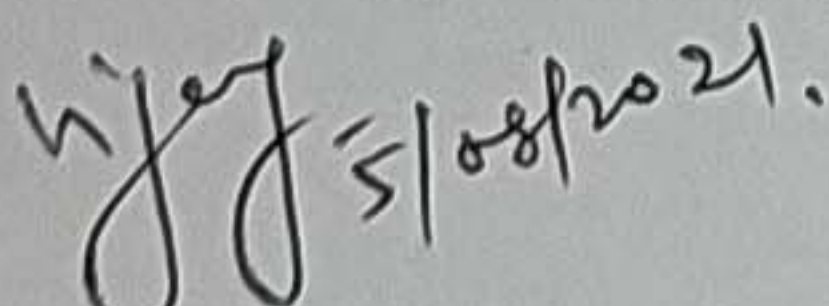

New India@75 years

As you are aware, India is celebrating 75 years of its Independence next year. In this regard the Indian government has initiated **New India@75 years** campaign envisioning a new India with welfare oriented, transparent and responsible governance. In this regard the National Aids Control Board too has proposed to contribute to this initiative and in this regard has collaborated with our university among others, to initiate dialogue with the youth especially on issues relating to blood donation, HIV AIDS and Tuberculosis. These Awareness programs are proposed to be organised from 12th August 2021 to 30th March 2022 in three phase.

As part of first phase, the Red Ribbon Club of CNLU Patna invites currently enrolled students of the University to participate in the **Short Video Making Competition (maximum 1 minute)**. As our University has been directed to carry activities on HIV Awareness, the theme of the competition is related to the same, viz., Red Ribbon/Stigma/Discrimination/Testing/ Pregnant Women & HIV.

The top three videos shall receive first second and third prize. All participants shall receive participation certificate. Interested students are required to register themselves on the link shared below, **before 12th August, 2021.**
