

## **Call for Applications for the F.A.I.R. Project | 8one | UNESCO**

Greetings from Eight Goals One Foundation (8one)!

We hope that you and those around you have kept safe in the past year, and continue to do so.

We are writing this email to invite your students to participate in The F.A.I.R. Project 2022. This is a fully funded online experiential program, organised by 8one and UNESCO New Delhi, from 13 June 2022 to 24 July 2022.

In 2021, we selected 32 individuals from over 250+ institutions across the country. These Change makers were introduced to the F.A.I.R. method of decision-making through a facilitative learning process that focuses on social and inclusive development. The Change makers were encouraged to understand and assess our 8 goals of Well-being, Gender Equality, Peace, Environment, Hygiene, Nutrition, Education, and Employment, through the F.A.I.R. lens.

In our previous two editions, our carefully curated list of speakers included Rosalia Arteaga (Former President of Ecuador), Violeta Bulc (Former Deputy Prime Minister of Slovenia), and Eric Falt (Regional Director, UNESCO New Delhi) amongst others. Our program also creates space for participants to be mentored by industry experts like Dagmar Walter (Director, ILO India), Susan Ferguson (Country Representative, UN Women), and Ranu Bhogal (Director of Policy, Research and Campaigns, OXFAM India), amongst others.

This year, we are again looking for inquisitive and driven individuals between 18-27 years of age. Applications are open to everyone irrespective of their field, qualification, or any other differentiators. We hope that you will help us spread the word.
