Nyaya Nagar, Mithapur, Patna

20 October 2021

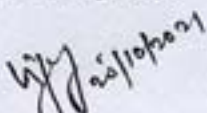

## NSS – Notice

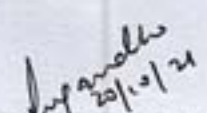

### **New India@75 years**

As you are aware, India is celebrating 75 years of its Independence next year. In this regard the Indian government has initiated **New India@75 years** campaign envisioning a new India with welfare oriented, transparent and responsible governance. In this regard the National Aids Control Board too has proposed to contribute to this initiative and in this regard has collaborated with our university among others, to initiate dialogue with the youth especially on issues relating to blood donation, HIV AIDS and Tuberculosis, in three phase.

As part of second phase, the Red Ribbon Club of CNLU Patna invites currently enrolled students of the University to participate in **Poster making Competition on HIV Awareness.** As our University has been directed to carry activities on HIV Awareness, the theme of the competition is related to the same, viz., Red Ribbon/Stigma/Discrimination/Testing/ Pregnant Women & HIV.

**The top three posters shall receive certificates. All participants shall receive participation certificates.** Students are requested to kindly draw the posters and mail them to **nss.cnlu.patna@gmail.com** by 21<sup>st</sup> October 2021, 5.00 pm, in pdf format. The subject line of the email should be "Poster making Competition on HIV Awareness." Please note that these posters should be handmade. Kindly write your name and roll number in one of the corners of the poster.
