CENTRE FOR INNOVATION RESEARCH AND FACILITATION OF CNLU

ESSAY WRITING COMPETITION

The Centre for Innovation Research and Facilitation (CIRF) in Intellectual Property for Humanity and Development (IPHD) of CNLU, is calling for original Essay.

About CIRF in IPHD

The Centre has been established with the aim to disseminate knowledge and promote research in the field of Intellectual property Rights and related fields. The intellectual property is a creation of mind. It is in the form of copyright, patents, Trademarks, design, integrated circuit lay out design, trade secret, and geographical indications, bio-technological inventions, traditional knowledge, inventions related to plant varieties, farmers'/ plant breeders' rights. Every type of intellectual creation is socio-economic oriented. But there is requirement of protection to the creators for their economic and moral rights involved in it. At the same time, the dissemination of intellectual property knowledge among the society is essential. The industry also requires connection and involvement.

Topic: Intellectual Property Commercialisation
