Mr. Deep commenced the lecture by giving insight into Construction Arbitration, an infrastructure contract and what kind of dispute can arise from the same, terms and conditions, declarations, obligations between the parties, etc. He proceeded by discussing the kinds of contracts, namely turnkey contracts & non-turnkey contracts. He further gave a brief overview of Cost claims and their types.

The session was then taken over by **Ms. Adya Joshi**, who explained the role of a 1st-year construction arbitration associate and the points to keep in mind during the drafting pleadings, evidence stage, arguments and written submissions while gaining a contractual understanding thereof.

The session ended with a round of questions from the participants and a warm vote of thanks given by Ms. Dakshita Dubey (student co-convenor of CCADR) and Ms. Priyanshi Jain (student member of CCADR). The session was attended by over 110 professionals and students from different universities.
