# Alumni's Feedback on Syllabus for the Academic Year 2022-23

As part of the University's initiative of getting the feedback and opinion of various stakeholders on the syllabus of different courses offered by the University during the Academic Year 2022-23, alumni's feedback was collected. The initiative intends at getting the suggestions of the alumni as stakeholders for enriching the curriculum and among other things, enhancing the employability of the students. Section I of the feedback form contained 8 questions related to the information of the alumni. Section II of the form comprised of nine questions out of which eight questions were objective in nature, covering significant aspects such as, course structure of the programmes, relevance of the syllabus and curriculum for the local, national, regional and global developmental needs, achievement of the desired learning outcomes, overall quality of the syllabus, focus upon the employability and entrepreneurship skills, integration of the crosscutting issues relevant to professional ethics, gender, human values, environment and sustainability into the curriculum and coverage of the fundamentals as well the latest developments in the field for preparing the graduates for the highly competitive job market. The last question was an open-ended question that aimed at eliciting suggestions from the alumni for the review of the syllabus.
